

Teltumbde won't be arrested till Feb 12: Pune police to HC

AGENCIES
Mumbai

The Pune Police told the Bombay High Court on Tuesday that it will not arrest activist Anand Teltumbde till February 12 midnight, even as the Dalit scholar termed the case a ploy to "humiliate" and "harass" him. The statement was made by the state's counsel Aruna Pai on behalf of the Pune Police before a bench of Justice N W Sambre. The court was hearing an application filed by Teltumbde seeking anticipatory bail in the Elgar Parishad-Koregaon

Bhima case. Teltumbde is an accused in the case, which was filed following violent clashes at Koregaon-Bhima village near Pune on January 1, 2018.

He was booked on several charges, including sections under the Unlawful Activities Prevention Act (UAPA). Justice Sambre on Tuesday directed Pai to give an oral undertaking as a pre-condition for securing time to file an affidavit opposing Teltumbde's plea.

The court said it would hear the plea on February 11. Teltumbde later termed the police's case against

him and several other social activists as "harassment" and a ploy to "humiliate" them. "The police does not want to investigate the case... they just want to harass and humiliate us. I have been cooperating with the investigation since long. I don't understand why this sudden move to arrest me," he told reporters here.

Teltumbde was arrested last week after a Pune court rejected his pre-arrest bail plea. He was, however, ordered to be released a day later on Saturday (February 2) following a court order. He approached the

high court on Monday seeking anticipatory bail and said he had no role to play in the case.

When the plea was heard on Tuesday by Justice Sambre, advocate Pai sought for it to be dismissed on the ground that UAPA Section 43D(4) bars granting anticipatory bail to an accused. Pai also pointed out that earlier last year, Teltumbde, who the police claim has Maoist links, filed another plea in the high court denying all charges against him and urged the court to quash the FIR against him in the case.

Search for suitable candidates begins in Rajasthan

PRAKASH BHANDARI
Jaipur

Ruling Congress and BJP are trying hard to find suitable candidates to contest the Lok Sabha elections in the state. The ruling Congress which has a mere of 100 members in the House and is still one short of a majority is unable to field the sitting MLA for the upcoming election as it requires the number for running its show as a government.

BJP in the last 2014 elections won all the 25 seats, but Congress in the by-elections won the two seats at Ajmer and Alwar because of the deaths of two BJP MPs. The Ajmer seat has fallen vacant again as the sitting member from Ajmer, Raghu Sharma has become a member of assembly and is holding the position of

a Cabinet minister of health.

Congress is now looking for new faces to contest the election and these faces include those who lost the recent assembly elections. The former leader of the opposition, Rameshwar Dudi, who lost recent elections from Nokha in Bikaner district is seeking a ticket to contest from Churu in a seat which is held by BJP. Congress is upbeat as it won the recent countermanded election at Ramgarh and it

feels that the people are still backing them.

Using Aadhaar biometrics to identify bodies not feasible technologically, legally: UIDAI to HC

AGENCIES
New Delhi

The Unique Identification Authority of India (UIDAI) on Tuesday told the Delhi High Court that it was not legally and technologically feasible to use Aadhaar biometrics for forensic purposes like identification of dead persons.

The UIDAI told a bench of Chief Justice Rajendra Menon and Justice V K Rao that using Aadhaar biometrics to identify bodies would be contrary to the Aadhaar Act. The authority, represented by advocate Zoheb Hossain, further claimed that even the Supreme Court in a verdict last year had held that the biometrics were not to be used for any other purpose than those stipulated in the Act.

The UIDAI has contended that the Aadhaar Act was enacted to provide good governance as well as an efficient, transparent and targeted delivery of subsidies, benefits, services and social schemes.

India, Monaco should prioritise renewable energy, climate change for mutual benefit: Prez

AGENCIES
New Delhi

Asserting that India-Monaco ties are doing well, President Ram Nath Kovind on Tuesday said the two nations need to prioritise areas like renewable energy and climate change for mutual benefit, according to an official statement.

Welcoming Prince Albert II of Monaco, who had called on Kovind at Rashtrapati Bhavan, the President said that India and Monaco have always enjoyed a relationship of trust, friendship and mutually beneficial cooperation. The current visit imparts a strong

President Ram Nath Kovind shakes hands with Monaco's reigning monarch Prince Albert II during a meeting at Rashtrapati Bhavan in New Delhi on Tuesday

impetus towards taking the relationship to newer heights, he said. The President said that India-Monaco ties are doing well. "However, there is scope to do a lot more together. On issues such as

renewable energy, climate change and the environment, there is a strong meeting of minds between us. We must prioritise these areas for bilateral co-operation," Kovind was quoted as having said in the statement issued by his office. The President said India is the fastest growing major economy in the world. "Monaco's technology and investment companies can significantly benefit from the Indian growth story," Kovind said. Later, the President hosted a lunch for the Prince and his accompanying delegation.

TV actor Shilpa Shinde joins Cong, snubs MNS

AGENCIES
Mumbai

Television actor Shilpa Shinde on Tuesday joined the Congress in the presence of its Mumbai unit chief Sanjay Nirupam. The actor, who was a winner of the 11th season of the reality show Bigg Boss, told reporters at the induction function that she wanted Congress chief Rahul Gandhi to be the next Prime Minister.

"The Congress party has run the country for ages. This is why I decided to join it. Today, the country is in dire need of change and only the Congress can bring about this change," she said. On a query about the Maharashtra Navnirman Sena, which had supported her during her spat with the makers of a televi-

sion serial after she was replaced in it, Shinde said the Raj Thackeray-led party focused only on "Marathi-speaking" people.

"The Congress does not look at any caste or religion while extending a helping hand to those in need. However, the MNS only focuses on Marathi-speaking people. When I needed help, the MNS gave a Marathi angle to my plight," she claimed.

She added that she was keen to contest elections, but did not specify if it was for the Lok Sabha or the state Assembly, both of which are scheduled for this year. Nirupam said the country was unhappy with the current dispensation and people who believed in the core principles of the country were joining the Congress.

90 per cent police personnel work for over eight hours a day: Govt

AGENCIES
New Delhi

Nearly 90 per cent of the police personnel posted at police stations across the country worked for over eight hours a day, Parliament was informed on Tuesday. In a written reply to a question, Union Minister of State for Home Hansraj Gangaram Ahir told the Lok Sabha that this information came following a study conducted by the Administrative Staff College of India (ASCI), Hyderabad and sponsored by the Bureau of Police Research Development in August, 2014.

"Nearly 90 per cent of police station staff, across the states and across various police stations, presently work for more than eight hours a day," the minister said. He added that a copy of the study report was sent to the director generals of police (DGPs) of all the states and Union territories for appropriate action.

National Women's Party to contest all 26 LS seats in Gujarat

AGENCIES
Ahmedabad

Newly-formed National Women's Party (NWP) on Tuesday announced to contest all the 26 Lok Sabha seats in Gujarat in upcoming elections. Since the party's main objective is to get 50 per cent reservation for women in Parliament, it will field women candidates on 13 seats and may field male nominees on the rest seats in Gujarat, NWP chairperson Dr. Swetha Shetty said.

Shetty was here to launch Ahmedabad unit of the party and appoint office bearers for Gujarat. "We demand nothing less than 50 per cent reservation for women in Parliament. That is why we will give half of the tickets, that is 13, to only women candidates. Rest 13 Lok Sabha seats are open for male candidates

having similar ideologies like ours," she told reporters.

Shetty said the NWP would contest 283 Lok Sabha seats across the country. She said the NWP was launched in December last year in Delhi, and has a member base of over 3 lakh. The doctor-turned-activist said the NWP is already registered with the Election Commission (EC), but yet to get a party symbol.

Shetty attributed "poor participation of women in Parliament, assemblies and local bodies" for the issues like child marriage, harassment at workplace etc. "Patriarchal society has ensured that women remain under-represented in civic bodies and do not have key decision making powers. We want to create a platform to give voice to the women through this party," she said.

Selfie mishaps: States asked to identify accident-prone spots

AGENCIES
New Delhi

The Centre has advised all state governments to identify accident-prone spots at tourism sites for the protection of tourists who take selfies, the Lok Sabha was informed Tuesday.

Union Minister of State for Home Hansraj Ahir said accidents while taking selfies are reported from time to time and the Ministry of Tourism has advised all state governments and Union Territory administrations to take a number of measures to safeguard tourists.

He said safety and precautionary measures, including declaration of 'No

Selfie Zones', to prevent any untoward incident are the primary responsibility of the state governments and UT administrations concerned. The central government's advisory includes

identification of such tourist spots, erection of signage warning visitors of the danger involved in taking selfies there and barricading areas wherever possible danger is identified.
